

Tri-State Trek Bicycle Maintenance Requirement Form

In order to ensure your bike is safe and ready to ride, you are required to prove it has been recently serviced. Please bring this document to your bike mechanic, have them verify your bike's condition no earlier than June 1, 2020, and bring the signed document to the Tri-State Trek bike mechanics when you check in at the event. The Tri-State Trek bike techs have sole discretion on whether your bike is safe and to ride at the event, with or without this form. **Failure to remit the document will result in a \$150 fee payable upon arrival at the event.**

Your bike mechanic must:

- Verify overall safety
- Inspect frame
- Perfect shifting
- Perfect braking
- True wheels
- Inflate and inspect tires
- Check and adjust all bearings
- Lubricate drivetrain
- Verify that bike is road ready
